Dear Community Partners,

On behalf of Council President Wesson, THANK YOU for your partnership and support to make our Community Clean Up a successful event.

By our work on Saturday we demonstrated our shared strenght and support for our community. By our partnership we empowered our RFK students to be stewards of thier own community.

Thank you for your partnership, concern and care for our community. With all of our work together we can make the change we deserve in our community.

Again thanks,

Cairo G. Rodriguez
